

# Thiriot Elementary

Closed Campus

Afternoon Parent Pick-Up Map

★ Student Pick up Point

As of 4/17/23

Parents, per CCSD instructions, we are now implementing a closed campus.

Why? For the safety of your children

When? Starting April 17th

How? All gates will be locked.

Access to campus including playground and building will be restricted to staff and students only.

Dismissal times?

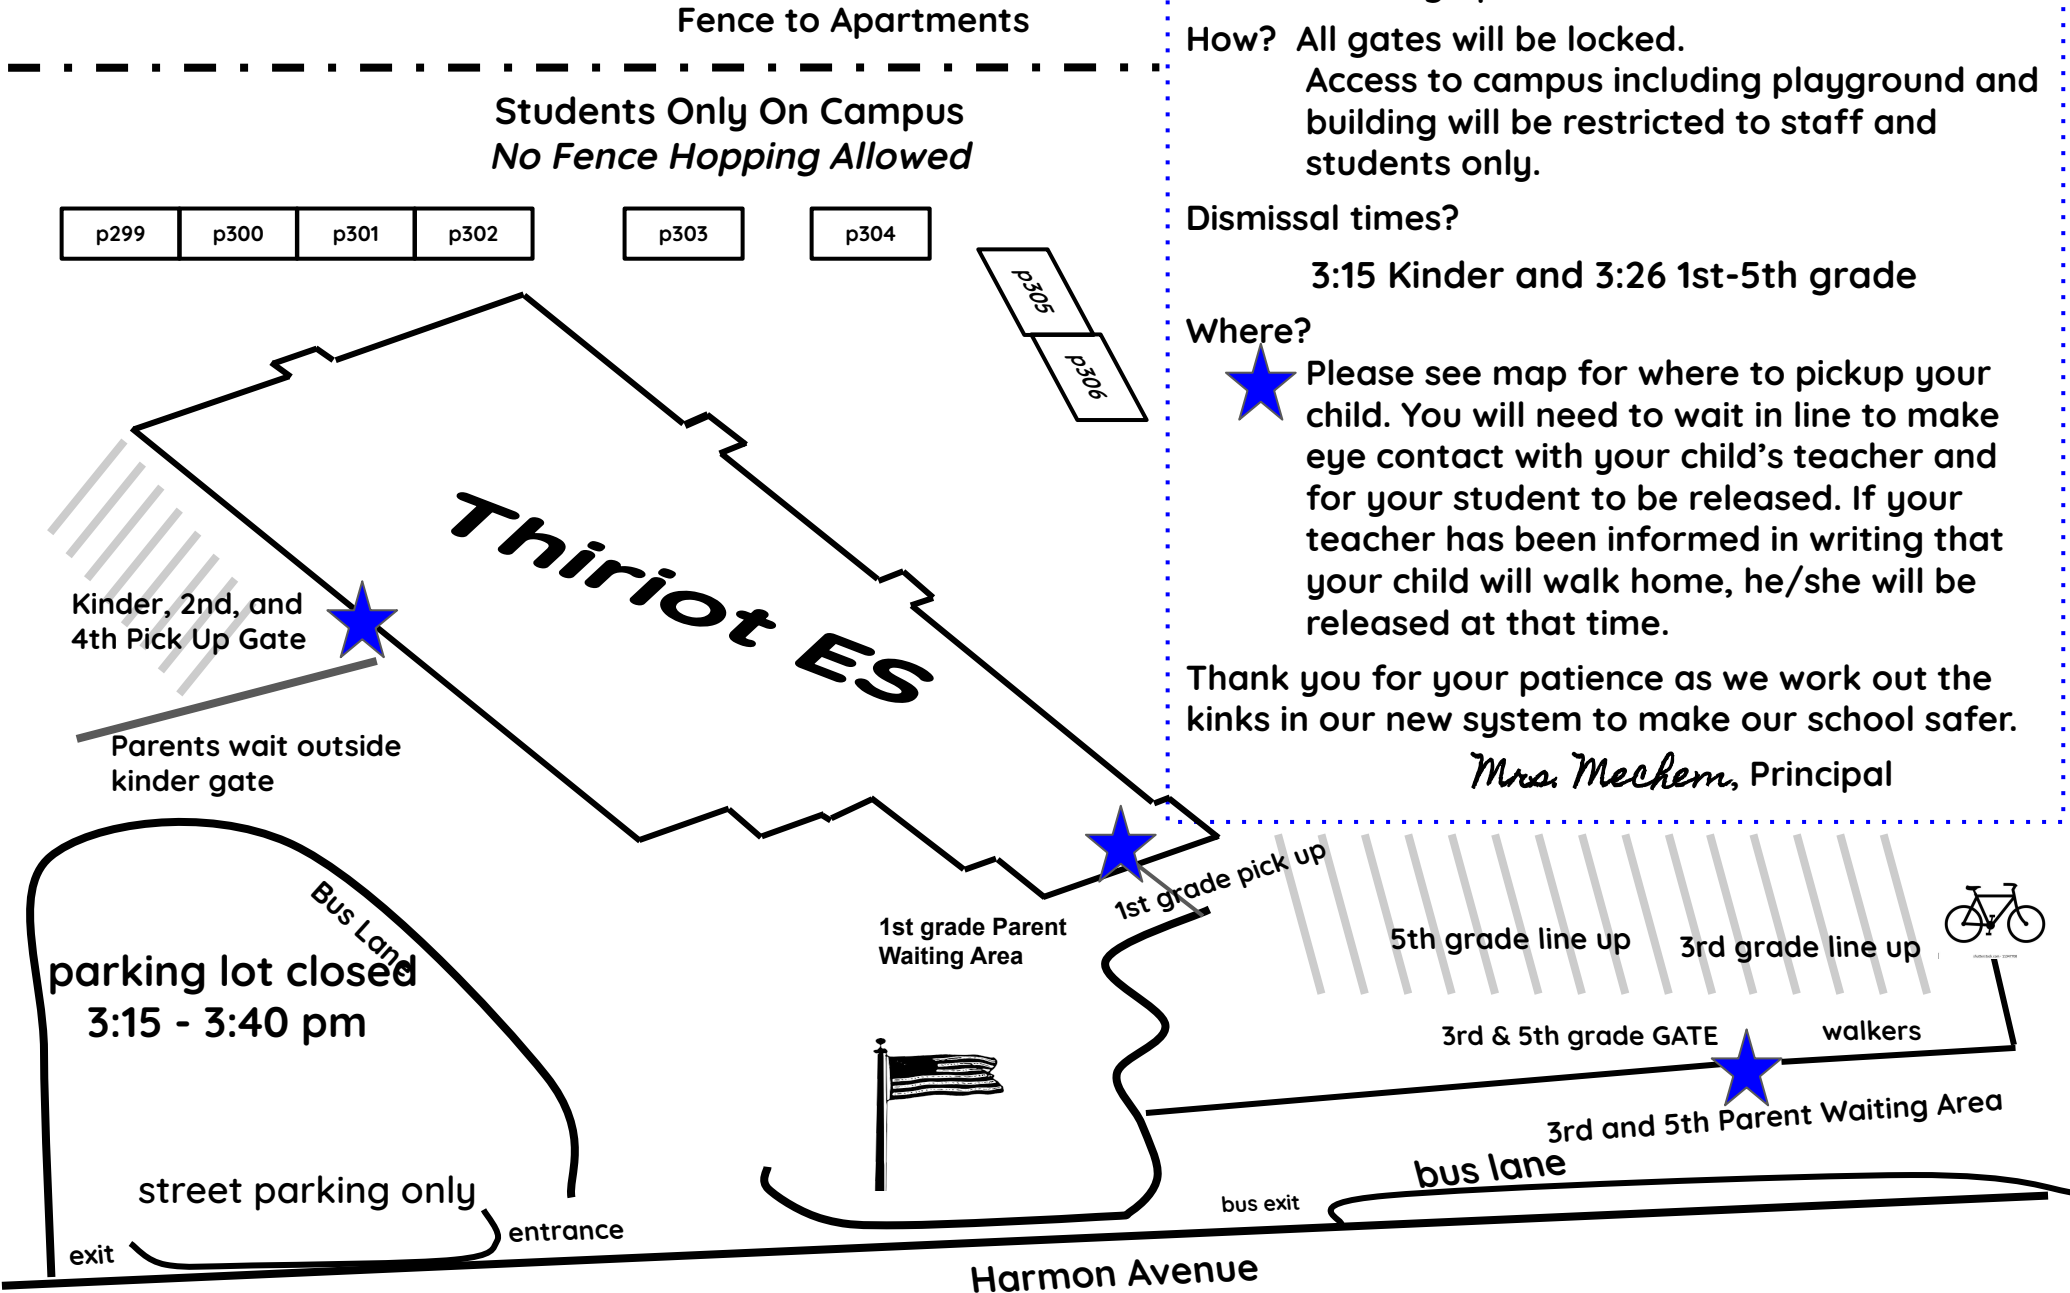

3:15 Kinder and 3:26 1st-5th grade

Where?

★ Please see map for where to pickup your child. You will need to wait in line to make eye contact with your child's teacher and for your student to be released. If your teacher has been informed in writing that your child will walk home, he/she will be released at that time.

Thank you for your patience as we work out the kinks in our new system to make our school safer.
