August 2024 - Thiriot Drop off Zones

Hello Thiriot Families,

The Thiriot administration is proud to announce that there will be three different areas to utilize for dropping off students to school, a drop off zone in our parking lot, that operates like a "kiss and go" if students are being driven to school, or students in grades 1-5 can enter through the main hallway doors, and kindergarten/ PreK students arrive at their designated entrance.

1. The drop-off zone accepts students in grades 1-5 between 8:55 a.m. - 9:15 a.m. Please wait until at least 8:55 a.m. before dropping off your children, as school supervision is not provided prior to this time. Parents with kindergarten students must drop off and pick up their kindergarten child at the kindergarten entrance (adjacent to the parking lot).
2. PARKING LOT DROP OFF NEEDS TO BE SINGLE FILE - PLEASE PULL YOUR VEHICLE UP TO THE CURB (prior to allowing children to exit your automobile). We can't have cars passing other cars in the drop off zone, as it is unsafe for students and staff.
3. For the safety of our students and the entire community, PLEASE NEVER LET STUDENTS EXIT YOUR VEHICLES WHILE YOU ARE IN THE ACTUAL LANES ON THE STREET.
4. Please abide by the posted school zone signage and NO U-TURNS are permitted in the school zone.
5. Please make sure students are ready to QUICKLY exit your cars during drop off. The drop-off zone was created to provide a fast, safe way for students to arrive at school, so be sure to have lunch boxes, backpacks, etc. ready to go.
6. The Thiriot campus (including parking lot) is a **no ride zone**. All bicycles, scooters, and skateboards must be walked to avoid collisions with vehicles or pedestrians walking to school.

We highly encourage you to walk to school if possible, but if that is not an option, please take advantage of our drop off zones.

Much appreciated,  
Thiriot Staff
