Harmon Avenue

Parents, per CCSD instructions, we are now implementing a closed campus.

Why? For the safety of your children.

When? Starting April 17th

Arrival time? 8:50 am - Students are not to be on campus before this time without parent supervision and will be contacted. Am club members check in through the office.

How?

All gates will be locked. Access to campus, including playground and building will be restricted to staff and students only.

Where?

Please see map for where your child needs to enter the school in the morning. Students will eat breakfast with their class.

Thank you for your patience as we work out the kinks in our new system to make our school safer.

*Renee Mechem*, Principal
