These meeting minutes are posted publicly on the school website: www.thiriotes.com

1.0 - Kinder and 5th meet on Monday to go over practice dates to get on the calendar in May, so they have equitable practice time. One thing to consider: do award times conflict with specials/ prep times at all?

2.0 - Calendaring for next year - what that looks like is, you come up with what items you need on the master calendar for next year (field trips we don't know about). Bring each event on an individual sticky note and put them all up there so we can plan as many events as possible. March and April SOT will have a lot of calendaring.

3.0 - SBAC bootcamp is the week back from break. Teachers are doing it. Last year it was two weeks from Monday through Thursday after school.

4.0 - Vote to adjourn the meeting.
