1.0 School Performance Plan

- Every single time we do budget, have to link to the School Performance Plan
- Increasing ELA proficiency is a main goal
- In February, our predictive SBAC results came up very similar to what it did the year before, except for the caveat that 3rd grade is a little lower than they have been in previous years.
- Math - 3rd grade still doing great. Projected SBAC
- Work in Tier 1 instruction has been effective so far this school year, based on MAP growth data.
- Summit and parent meetings have helped get us on pace for our ELL goals.
- 75% of weekly grade level PLC will focus on data.

- Panorama - focusing on students describing their feelings.
