1.0 - For budgeting - you will see that the other AP job is flying. The additional counselor job is flying as well. We put in a head custodian job flying, another OS2 position is flying for attendance. Hopefully, in the next day or two, the support staff positions will be flying. An additional SPTA position is flying as well. Money will start going into support staff for an additional half hour part of their day soon. We still do not have access to the materials money yet.

2.0 - Fence updates (quotes, school board approval, most likely done by summer.)

3.0 - Thoughts on parents inviting parents viewing the Halloween costume parade? It was decided that parents will be allowed on campus to watch the event.

4.0 - The birthday policy of the school was revisited. Students who bring treats can bring them on the actual day of their birthday, instead of the last Friday of each month.

5.0 - Mrs. Tinkel went over the school performance plan status with the staff.
