Renee went over budget. Strategic budget stayed the same. The 20-21 Budget; Budget summary, projected enrollment staff costs, and the money left over from last year. We did not lose any teachers.

Sara asked about the budget for Safety. Title I, III, and SB178 has to be instructional, can not be used for supplies and services, this comes out of the general budget. She is concerned about when we come back to school. She will reach out to see about getting funds for safety supplies.
